Eileen P. lost 130 pounds!

"I'm half the person I was four years ago."

At 25, Eileen weighed 245 pounds and was sick with debilitating sinus infections and respiratory problems. **"By that time, my self-esteem was non-existent and friends were few and far between,"** Eileen reflects.

Then she discovered the Thermojetics® Green Weight-Management Program. She lost a total of 130 pounds in 10 months and went from a size 22 to a size 3.

Today, not only is she smaller, but all her allergy symptoms are gone.

Eileen excitedly remarks, **"My hair, skin and nails are incredible, and people I know from childhood are speechless when they see me. It's the most incredible feeling!"**
